

(8-103.)
W. W. A.
Department of the Interior,
PENSION OFFICE,

Nov. 9, 1886.

Nature of Claim *Injury*

No. *10,800*

Soldier: *Edwin Barlow*

Service: *1st. Reg. Co., 16 Mich. Vols.*

It is desired in this case that the examination be made with special reference to—

Gun shot wound of left side.

Please give exact points of entrance and exit of missile, its course and the condition of the cicatrices and mark location on diagram. State amount, if any, of loss of tissue & function. If there is any deformity or disease due to wound describe it fully.

Did missile pierce thorax? Describe fully the condition of the heart, lungs & pleurae and if any disease thereof exists state whether in your opinion the same is due to wound.
